PERFORMANCE with *Style*
PRODUCTION SALE

APRIL 12TH-14TH, 2025
ONLINE ONLY SALE AT DV AUCTION

Welcome

We invite you to join us at our 13th annual "Performance with Style" bull sale. It is an exciting time to be in animal agriculture. We are thrilled to see the positive movement in the market bringing optimism to the industry again as well. It has been rewarding to watch the bulls grow steadily with the favorable fall and winter we have had this year. The bulls are extremely consistent, yet, have enough unique individual traits to fit any operation.

TIME has always been an important commodity to our families, and family time has become increasingly more scarce the last few years. Therefore, an extremely hard decision to sell some of our registered herd became reality in the spring of 2024. This is reason for the smaller offering than normal and our decision to transition to an online only sale this year.

The decision to right-size our herd has been hard, especially after the many hours and years of sacrifice by the entire family. Yet it has been the healthy choice. Dennis was actually able to go ice fishing this winter, Betty got to spend more time worrying about each individual cow, Cody has been able to spend more time with his kids, and the Hansen crew has been able to focus more on their individual passions.

Due to downsizing the operation, the care and attention to the animals has only increased. It has been fun to spend more time with this calf crop all the way thru. From kids burying newborn calves in the barn straw to walking the pens more after weaning, we believe you will see the added docility in the whole calf crop.

As you view our offering this year, we want to extend our gratitude for all of those who have considered us as a seedstock source for your cowherd. We invite you to check out the bull videos or stop by in person to decide for yourselves if what we have to offer could work in your operation. Just like us, we know your time is valuable and we hope you can make the most of it.

Sincerely,

The Montgomery's and the Hansen's

Bidding on the bulls will all be via
DVAuction.com this year.

There will a digital catalog along with videos of the individual lots. A bidding area and button to bid on each bull will be available. Most of you are probably familiar with online bidding now, but want to make sure to explain if not.

Each lot will have a 5 minute time extension if there are subsequent bids after the closing, allowing for the contending bidder to decide if they want to raise their last bid. None of the lots will close

until the last bid has not been made on ANY lot for the 5 minute threshold. At that point all lots will be final.

You will be notified by DV Auction after the end of the sale if you are the winning bidder and we will also begin to call on following morning to arrange for payment, pickup/delivery instructions, etc.

The sale will open on SATURDAY, April 12th and close at 7 PM MONDAY, April 14th. Feel free to arrange a visit before the sale to walk thru the bulls.

We also extend the invitation for you to stop out on that Saturday or Sunday as we are planning to have some lunch & snacks available as we are accustomed to doing as that would be our normal sale date. We would love to see you all.

If you have any questions before, during or after the sale be sure to get ahold of Cody, Jory or Dennis.
