PERFORMANCE WITH STYLE PRODUCTION SALE

Saturday
APRIL 10, 2021

1:00 PM • At the Ranch, Carrington, ND

**Offering 29 Yearling Angus Bulls, 8 Registered Replacement Heifers
& 25 Commercial Heifers**

MONTGOMERY RANCH

Welcome,

We invite you to join us at our 9th annual "Performance with Style" bull sale. We are proud of this year's set of bulls and feel they are our most solid and uniform group we have ever offered for sale. While we are proud of them, we realize that you will find that statement in plenty of catalogs this spring and it is necessary for us to keep improving the consistency of our offering year after year.

Performance with Style is not just the slogan that we decided to use to promote a bull sale, but it is the core of our cattle breeding philosophy. Cattle around the world are sold by the pound and current prices make those pounds all that much more valuable, but performance takes into account so much more than just an individual calf's growth rate. Performance includes cows that get bred on time, mother their calves like they should, and bring back a healthy calf from the pasture. Performance includes bulls that can cover cows, get them bred in a tight window, and sire calves that come easy and make good parent stock themselves. Performance includes all the aforementioned traits and cattle that can meet those requirements with a moderate amount of input cost and increase profitability across the whole herd. We certainly think performance is important, but the package that performance comes in is equally important. Structurally correct cattle who are level topped, smooth shouldered, and have a solid foundation on their feet and legs will perform better through all stages of the production cycle.

Whether you have purchased cattle from us in the past, or have never before considered us as a seed stock source for your cowherd, we invite you to attend our annual bull sale, visit with us, take a look at our cattle, and decide for yourselves if what we have to offer could work in your operation.

Sincerely,

The Montgomery's and The Hansen's

View the Auction Live! Bid Online... you're ringside right at your desk!

Buying online is as easy as 1, 2, 3...

1. Create an account at www.DVAuction.com under the "Register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction — a DV representative will notify you once you have been approved.
3. Tune in for the sale to make your purchases!

High Speed internet is required for successful bidding - be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

Proxy-bidding — if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!

EPD INFORMATION TO MAKE SELECTIONS:

Expected Progeny Differences (EPDs) are the most powerful genetic tool you have for selecting the best animals for your breeding program. EPDs are values that predict how the future progeny of an animal will perform relative to the progeny of other animals in the same breed. They are expressed in the units of that particular trait.
